

O.F Newsletter

Hello, My name Is Daniel I am a student in Zephaniah class I have been organizing a festival called Acorn Fest. This is an event that COVID permitting will be open to students, carers and guests.

I felt that everyone at Acorn Park needed to be able to celebrate what has been a very difficult year for us. We have had to adjust to a new way of living; I also wanted to celebrate our individualities and our diversity.

The senior leadership team asked me to come up with some fundraising ideas to help towards funding this amazing festival. After a chat and a meeting with the team around Acorn fest it was decided that we could do cake raffle to raise some money. Each number costs 50p myself and one of my team members then go round asking if anyone would like a number from the 100 square throughout the week. On Friday's we put all the numbers in a number generator on the internet and with fingers crossed wait to see what number it generates... Then the lucky winner receives a homemade cake.

Anyone can enter the raffle.

Numbers cost 50p and are available for all. You can purchase via your class or reception.

So far, we have raised around five hundred pounds. We would love to raise more to make this a festival a day no one will forget. All monies raised on the day will go towards the following charities LGBTQ+ and Autism Anglia.

It would be really good if you could support us in any way you can, for example: Acts for the show, donations of raffle prizes etc., ideas for fundraising and any other resources you may have would be gratefully received e.g. staging, props.

Many Thanks Daniel
