

<p style="text-align: center;">Science</p> <p>Year 11 Orwell and Shakespeare Year 11 - Focus will be on Biology continuing from where they stopped: Mitosis (biology and Synergy only), Sex determination in humans, Genetic engineering, Transport into and out of cells (diffusion, osmosis and active transport),: RP 4: Investigate the effect of a range of concentrations of salt or sugar solutions on the mass of plant tissue, The human digestive system, Simple role of enzymes, Investigating the effect of amylase on starch with focus on planning and conclusions. Pupils will be introduced to</p>	<p style="text-align: center;">Geography</p> <p>Orwell will explore 'Big Issues' that affect our planet and global population. They will look at the reasons, consequences and management for natural disasters and famine.</p>	<p style="text-align: center;">English</p> <p><u>GCSE group</u></p> <p>This term in English Shakespeare class will study the following:</p> <ul style="list-style-type: none"> • REVISION of 20th century Drama- <i>An Inspector Calls</i> and <i>Blood Brothers</i> • Detective story • Murder mystery • Morality tale <p>Shakespeare will also develop their stamina and concentration to ensure consistency with spelling, grammar and punctuation in readiness for their Mock exams in January 2022. They will be able to: demonstrate good subject knowledge by oral and written responses.</p> <p><u>Functional Skills Group</u></p> <p>This term in English we will be continuing with our module on Gothic literature. We will be reading different forms of Gothic literature and comparing it to film versions and cartoons. We will go on to revise A Christmas Carol by Dickens. Whilst studying A Christmas Carol we will write invitations and plan a menu for Christmas Dinner.</p>
	<p style="text-align: center;">Home Learning</p> <p>This half term I recommend that you support your young people by encouraging them to use BBC Bite Size. This is a really useful and enjoyable resource that can really help to cement learning- across all subject areas.</p>	

<p>revision skills with a focus on past exam papers.</p> <p>History</p> <p>This term Orwell class will continue their study of British Empire, aiming to complete their ASDAN qualification.</p>	<p>You could also watch the film version of <i>An Inspector Calls</i> and discuss the plot and use of characters to highlight the changes in society since the end of WW1.</p>	<p>Students have begun to identify which areas of the GCSE curriculum are targets for them. This half term, each student will produce a revision plan for the rest of the year. These plans will be individualised for each student and consist of a list of topics to study and a time frame to achieve each objective. Resource packs will then be provided to support each student to meet each objective. Students will be practising exam questions for each topic they study.</p> <p style="text-align: center;">PE</p> <p>Next term class will be learning a new sport of Tchoukball in their practical sessions (weather and space dependent) as well as looking at different elements of personal fitness.</p> <p>They will also still be accessing their twice weekly trips to Thorpe Woodlands (RK and OT) for outdoor adventure activities.</p>
	<p style="text-align: center;">Film Studies</p> <p>We will be learning how to use the video editing software.</p>
