Acorn Park - Weekly Roundup

Happy Friday everyone! This week we have been busy across the school. Some of our Year 10 and 11 pupils have been assessed for their Speaking and Listening element of their English qualifications. There were a wide range of themes and some excellent presentations. I would like to congratulate in particular Nic B whose piece on skateboarding was interesting and impressive.

The Potter Centre had a beautiful dancing session this afternoon where pupils and staff took turns in listening to music and dancing along.

We also had a visit from a bear today who sat in our library and read our books. Some of our pupils went along to help him choose some of their favourite books to read (we promise he was a very well behaved bear).

Please remember to let us know if you are coming along to our Christmas performances on Friday 9th December. We hope that it will be a wonderful opportunity to kickstart the festive season.

More of this week's stars...

Jesse C for his positive approach to Geography. We are proud of him for problem solving and building relationships

Kinney Class have been working on money. Rylee, Reece and Keyon have been great using their money skills. They recognise all coins and notes; they can buy more than one item and give change if necessary.

Theo is accessing Reading Plus and has also been engaging well in maths and as a result, his money skills are improving a lot. He can recognise all the coins and pay with £1 and 50p. Theo, we are so proud of your progress.

Mason W organised the art room and put up two brilliant displays. Thank you for your help.

Have a lovely weekend.

Pip
