

# Zephaniah Class Autumn 1 2023

Acorn Park

<h3>Basic Food Prep</h3> <p>Students will take part in practical and work sheet tasks, to demonstrate. This terms focus will be students developing knowledge or basic kitchen safety and food prep.</p>	<h3>Household Skills</h3> <p>Students will take part in practical and worksheet tasks, to demonstrate basic household skills.</p>	<h3>Managing Money</h3> <p>Students will continue to learn about income and expenditure. Exploring</p> <ul style="list-style-type: none"><li>• Income and expenditure</li><li>• The difference between a need and a want.</li></ul>	<h3>Maths</h3> <p>Zephania will review the GCSE curriculum addressing any gaps in view to take the GCSE exam in 2024. We will start reviewing algebra- collecting like terms, simplifying and solving equations. Next we will work on geometry- straight lines, triangles, and circles. We will focus on exam practice in each topic.</p>
<h3>TITAN travel</h3> <p>Year 1 Students will look at how we conduct ourselves in public places, developing confidence and communication skills.</p>	<h3>English</h3> <p>This half- term students will focus on preparation for their English Language GCSE using 19th and 20th century unseen texts, covering a variety of genre and topics. They will also review their 19th century literature texts and recap all prior</p>		

<p>Year 2 students will explore independent travel and problem-solving skills.</p>	<p>learning in this area. They will work on implicit and explicit information and the effect this has on the reader.</p>	<ul style="list-style-type: none"> <li>- Ecosystem organisation which includes the levels of security, farming techniques, sustainable fisheries and the role of biotechnology.</li> </ul>
<p><b>Work experience</b></p> <p>Student will be looking at health and safety in the work place and applying for and attending external work placements.</p>		<p><b>Art</b></p> <p>Students will experience the world around them by creating observational drawing and colour mixing. They will explore Autumn crafts and learn sewing. Graphic design and illustration will also be explored</p>
<p><b>Business Studies</b></p> <p>Zephaniah will be focusing on 'Business in the real world' this half term. They will consider the purpose of business activity, the role of business enterprise and entrepreneurship, and the dynamic nature of business. The class will be introduced</p>	<p><b>Employability</b></p> <p>Zephaniah will be focusing on time management this half term. They will learn how to prioritise tasks- using initiative, instructions or protocol. They will learn what would be an appropriate break time and length. They will identify which aspects of time management they are doing well in and which they need to improve.</p>	<p><b>Assertive Living</b></p> <p>Students will be exploring the topic self-esteem. What factors influence our self-esteem and how we can improve it.</p>

to the different legal forms a business can take, the goals they set themselves, how they decide where to locate and how they plan their activities.

## Computing

This term we will be driving into the concept of data representation in computer science. This involves looking into different number bases and seeing how they can be used by computers to make a language called binary.
