Acorn Park - Weekly Roundup

Good Afternoon! Lovely to see the winter sun for some of the time this week. We've had another very busy week at Acorn Park. The school played host to three visitors from other schools around the country as part of our partnership to review each other and continue to Strive for excellence. We would like to say a massive thank you to all the classes who were observed, for being so welcoming to our visitors. On Thursday we enjoyed the production of Snow White by M&M productions all the young people had a fantastic time and we're very grateful to the theatre team. Today several of our Year 8 students had the HPV vaccination and students across the school group had the flu vaccine; well done to those students! We also had a schoolwide moment of silence for Remembrance Day. We are so proud of our young people who engaged amazingly and showed respect and kindness.

Student Stars:

Seth W for his fantastic work in PE theory. He was very creative with his Olympic hide and seek idea and presented well to the class. Seth also read the Remembrance poem today in front of the whole school. Well Done!

Jimmy D with his milk shake at lunchtime today. He was so happy and brought a smile to so many faces.

Ronnie K for some really lovely interactions and conversation starters with staff.

James P for listening to staff and following the rules.
