Acorn Park - Weekly Roundup

It feels like the Autumnal season has finally caught up to us - coats, fleeces and wellies will start to be needed for outdoor learning so please send young people in with appropriate clothing if you haven't already done so.

As many of you will have seen, our Year 11 group have been out to the Peak District on their Silver DofE expedition (30km!), congratulations to Harley, Charlie and Reuben and three staff! We had the NHS immunisation team in on Monday this week who have extended their thanks and warm regards to the school and students for being so brilliant during vaccinations.

Orwell class delved into history this week with a visit to the hidden underground streets in Norwich. They learned about the Victorian era in Norwich and explored the hidden streets under the city. (see attached photos)
