

Lawrence Class

Spring Term 1 2024

Acorn Park

History

Students will learn about the influential nurses Florence Nightingale, Mary Seacole and Edith Cavell. They will establish what makes a person significant, explore and compare the lives and work of these nurses and consider how these individuals have influenced nursing today.

Geography

Students will learn about the 7 continents and the 5 oceans of the world. Students will label the continents and oceans of the world on a map.

RE

Students will learn about Christian ceremonies: baptism, christenings, confirmation, weddings, and funerals.

Science

Students will continue to explore electricity and electrical circuits. Students will learn about the different components within an electrical circuit, build an electrical circuit and discuss insulators and conductors.

Maths

- Students will be studying geometry this half term. Students will look at:
- Turns and angles
- Right angles
- Comparing angles
- Measuring and drawing angles
- Horizontal and vertical lines
- Parallel and perpendicular lines
- Recognising and describing 2D and 3D shapes

Lawrence Class

Spring Term 1 2024

Acorn Park

English

- Listening and answer comprehension questions linked to the book.
- Watching films linked with the theme
- Writing using colourful semantics
- Reading
- Discussing and explaining related to theme

Animal Care

Students will complete a range of husbandry tasks to promote and maintain the health and wellbeing of a range of small mammals and farm livestock animals. Students will prepare and deliver food and water to rabbits, guinea pigs, gerbils, goats, sheep, and poultry. Students will spot/strip clean animal accommodation and check it is safe and secure. Students will maintain the inside and outside areas of the care farm.

PSHE

Being me in my world: Unique me, differences & conflict, my influences, gateway emotions, belonging to a group, peer pressure, peer on peer abuse, online safety, sexting, consequences, online legislation.

Shopping Skills

Students will identify the ingredients needed to prepare the following dishes:

- Chicken Caesar salad
- Vegan pizza
- Quesadillas
- Egg fried rice
- Chicken chow mein
- Chocolate Valentines Day biscuits

Students will compare different supermarkets to identify which is the cheapest.

Cooking

Students will be cooking a range of different items that require using an oven, the hob, or knives. Students will cook themed dishes for Veganuary, Chinese New Year, and Valentine's Day.
