Acorn Park - Weekly Roundup

Happy Friday everyone! One more week to go this half term, I know the children are looking forward to a well deserved week off.

It's been quite a wet and windy end to the week, thankfully it seems to have cleared again. It has been lovely today seeing all the wellies and raincoats on the playground, making the absolute most of the puddles!

Kinney class visited Cromer on Wednesday, the whole team had a fantastic time and thankfully the weather was mostly dry. Well done to all the students who represented the school fabulously! Year 11, 12 and 13 have had their first week of mock exams, everyone has shown real dedication to exams, thank you to staff who have been called to invigilate last minute, and well done to students who have tackled the mocks with great spirit!

This weekend we celebrate the Year of the Dragon as part of Chinese New Year, I know a lot of primary school and semi-formal classes have done a lot of learning relating to this in Art, English and History.

Dahl and Kinney classes really enjoyed their visit from Hazel the police officer this week, they learnt lots and asked some really fab questions! Thank you to Hazel who has been super patient with all our students on her weekly visits.

Student Stars;

Elle-Mae in Shakespeare for her attitude towards her mock exams this week. Despite her nervousness (as we all get with exams), she has powered through with them all and given it her best effort and she should be really proud!

Rufus B, Mason W, Alex H, for their exceptional resilience while waiting to be rescued, after our car broke down on the side of the A11.

Nick in Lee class for an amazing clay dragon.

Robin in Golding Class for all the enthusiasm and talent.

Milne class who have made beautiful interpretations of Pop Art paintings.

James B for his continued progress with his communication.

Joshiah in Ahlberg for engaging with his learning and peers this week.

Staff Stars;

Jade who helped Milne class today. She was an instant hit with all of the children and adapted amazingly to help an unfamiliar class.

Nicole and Lauren in Ahlberg for taking a pupil home after arriving late back to school from swimming.

Congratulations Walliams team on your consideration for others around school and offering support wherever possible. Your teamwork, dedication and positive attitude for getting things done and ensuring opportunities are maximised for your pupil's well-being and learning is a credit to you all!

Along with the Walliams staff team, Paula has supported Walliams class transition from having art lessons in the classroom to the art room this half term. Paula always ensures maximum engagement opportunities for the pupils and is extremely thoughtful when it comes to their individual interests and needs. Art is a favourite highlight in the week - thank you Paula for making it amazing!

Kim T, thank you for being such a considerate and thoughtful HLTA. Your dedication to the children and staff team whilst considering and meeting the needs of others is appreciated - always thinking above and beyond
