- Helping to prepare food and cook.
- Playing turn taking games
- Exploring their emotions, identifying how they feel and what strategies they can use to get into the green zone.
- Art and craft activities
- Going shopping

PE

Dahl class will be taking part in Athletics this term. They will be developing the skills of running, jumping, throwing, relays and teamwork. In Running, they will be developing the ability to maintain a steady and appropriate pace during short to medium length runs. They will begin to understand how to begin a sprint from a crouched position. In Jumping they will be able to perform a basic standing long jump, focusing on swinging arms and bending knees to gain momentum. They will also begin to use appropriate arm action to maximise height. In Throwing they will be developing and mastering the skills to demonstrate a controlled underarm throw and overarm throw. In Relays and Teamwork, they will begin to understand the principles of relay races, including how to pass a baton smoothly and safely between team members. They will be able to show good teamwork during group activities, understanding the importance of supporting and encouraging others.

Maths

Y2 –

Pupils are taught to:

- Tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a clockface to show these times.
- Know the number of minutes in an hour and the number of hours in a day.
