4.0 School Strategies

Supportive Technology – The school has a translation service available for use at any time (INTRAN) in addition the school has a wide variety of assistive technologies when working with children and families.

Class Ethos – Recognise the child's mother tongue; boost the child's self-esteem. Remember they have the potential to become a bilingual adult. Classrooms need to be socially and intellectually inclusive; valuing cultural differences and fostering a range of individual identities. Identify the pupil's strengths. Acknowledge the time it takes to become fluent in an additional language, with a good command of the range of language needed for academic success.

Teaching and Learning – Assess the pupil's competence in English in relation to the National Curriculum standards and expectations as soon as possible. Show differentiated work for EAL pupils in planning. Have high expectations; expect pupils to contribute and give you more than one word answers. Monitor progress carefully and ensure that EAL pupils are set appropriate and challenging learning objectives.
