## Acorn Park - Weekly Roundup

Good afternoon everyone,

That ends another fabulous term here at Acorn Park. Thank you to all the parents, carers and family members that were able to make today, it was amazing to see you all enjoying the activities in the sun. We are back to school on the Wednesday 23rd April.

This week Kinney class have produced some amazing work in art, they have made 3D game characters and their respective loading pages in a box. The final products are brilliant!

A group of students visited Warner Brother Studios this week to support their study of Harry Potter and the Cursed Child. Everyone loved catching the snitch!

Year 7 visited Gressenhall Workhouse to support their study of Oliver Twist. They enjoyed looking around the museum and met the resident Suffolk Punch horse

Care:

Katie S – for taking an interest in new adults on site and wanting to know who they were and how long they had been at the school.

Strive:

Ralphie O - for talking openly and honestly about his feelings, checking his zones and trying his hardest to communicate his wants and needs.

Mason W – for working particularly hard in the café and 6th form today.

Grow:

Theo B - has accessed the classroom with his peers successfully for the whole week, since September and has shown such amazing integration into the classroom space. He also joined his peers in the Refectory for lunch which is something he found really difficult when he first started with us!

Thrive:

Eli, Thomas & Archie - they always put a smile on everyone's faces, they have been kind, caring and considerate to all of their rotation staff this term and never go anywhere without singing. Real mood lifters!

Wishing you all a fun filled break,  
Adam
