## Acorn Park - Weekly Roundup

Good afternoon all,

It's been a great first week back, almost all of our children have settled straight back into their routines. Welcome to our new students – Archie B, Archie B, Dillon O, Josh O and Haigen O (you read that correctly, 2 Archie B's (that makes 3 in total)). We hope all 5 of your have had a fantastic first week with us.

This week Durrell have been planting classroom plants, Luca is growing his dragon, he can't wait to see the green hair grow and he is also growing his own chillies to make chilli sauce.

Year 11s have been completing Science experiments this week.

### Scholastic book fair

We have had the Scholastic Book Fair in school this week (photos attached). It is a fabulous opportunity to purchase a book (or several) for your child if you wish to do so. Please contact your child's teacher for details on how to order the books. They will be here until the end of day on Tuesday 29th April.

### Aerosol - changes

Starting Monday (28th April) Acorn Park School will be an aerosol free site for all students and staff. This is related to asthma, issue and potential abuse. The students are still able to wear aerosol deodorant, providing it is put on at home. We are allowing students to bring in other forms of deodorant (such as roll-on) 😊

If this change causes a specific challenge then please contact the class teacher to discuss how we can support you with this change.
