Acorn Park - Weekly Roundup  
Good afternoon everyone,

We hope you've had a lovely week enjoying the sunshine (hopefully it will continue into the weekend)!

As we get into the warmer weeks, a polite reminder to please put suncream on your child and ensure they are appropriately prepared for the weather (sun hats, shades and bottles of water).

We would like to bring to your attention the potential nut ingredients commonly found in some sun creams.

Our school maintains a strict nut-free policy to ensure the safety and well-being of all students, particularly those with severe allergies. It has come to our attention that some sun creams contain ingredients derived from nuts, which could pose a risk to students with nut allergies. In order to uphold our commitment to a safe learning environment, we kindly ask that any sun creams brought to school do not contain nut-based ingredients. If you are unsure whether a product is suitable, please consult with the manufacturer or a healthcare professional.

Jimmy D had an excellent provision session this week, he is also much better than Jenny at scrabble!

Tobi L produced a fantastic piece of creative writing during a study skills session in preparation for his English exam.

Milne class have been excellent this week in computer Science. They have made their own name tags in Tinkercad (3D modelling software) Each child has put in so much effort and attention to detail. It has been a pleasure to see how much enjoyment they gain from exploring creativity in computer Science.

Kirby class went to Tesco to buy their cooking ingredients and then enjoyed making vanilla cupcakes with icing and sprinkles this week. Kirby class also enjoyed the immersion room for the first time and had lots of fun swimming under the water and colouring in the farmyard animals. They finished the week testing the capacity of different containers as part of their math lessons.

### Student stars

#### Care:

Jacoby T for being amazingly kind and helping a friend with their shoes.  
Violet B for sharing her toys with her peers and communicating with them clearly.

#### Strive:

Renaldas K has learnt some new key words in English this week, understanding the meanings of 'Community' and 'Diversity'. Renaldas includes others, respects different perspectives and helps to create a welcoming environment inside and out of the classroom.

Nathan O for being really engaged with adults and giving all of his learning a go!

Kevin, Luke, Seth and Zachary for excellent written work in English studying Macbeth. Really impressive all round.

Dilan for settling in so quickly

Rylee B for his excellent illustrations for the stories the class have read.

#### Grow:

Archie B & Archie B for settling in this week and making great bonds with staff, both Archies have engaged well in activities and learn to sign and communicate their needs with staff.

Charlie S for being in Animal Care for the whole lesson, stroking the rabbits and completing other activities.

#### Thrive:

Ziggy S for trying his best by being brave and going in with the chickens.

Toby, Alfie, Tajus, Oliver & Albie for completing all moves in trampolining and achieving their swivel hips move.

Shamis H for trying her best all week with a positive attitude.

Wishing all of you a lovely long weekend!

Adam
