Acorn Park - Weekly Roundup

Good afternoon everyone!

Welcome to another Friday Dojo post. A short one this week

Flu Vaccinations

Well done to all the young people that had their flu vaccinations yesterday – we know this isn't an easy thing for everyone! We are always so proud of how brave you are!

This Week's Highlights

Bond Class

Bond had their first trip of the year – to Swimming, well done everyone.

Bryan Class

Had a wonderful time at forest school

Carle Class

Exploring numbers through 'messy maths'! That's got to be the best type of Maths!

Kinney Class

Great work outdoors this week with your den building

Durrell Class

Great work out in the community putting those Maths and money skills together to purchase items.

You should have received an email from us today regarding attendance, this was a generic email that was sent to all families so please rest assured this wasn't personal to you.
