Student Stars of the Week

Care

Arthur B met the rabbits for the first time this week and was so calm and careful with them.

Taylor RS has been so kind to his peers this week, encouraging them to go swimming, communicating amazingly and positively.

Strive

Luke H, Kevin C, Alfie M, Seth W, Reece S, Josh O and Willow M - Wow what an amazing group of young people they are. We had an Animal Care lesson on Tuesday and they strived so hard to get all the jobs done. They are really starting to have the most amazing work ethic.

Grow

Bertie A has been communicating his needs like a superstar all week!

Thrive

Fletcher Class have been doing some amazing work in animal care this term, the boys have all been so lovely in their lesson and kind to each other when feeding the pig. We had a group hug and I told them all how proud I was of them being so lovely to each other.

Wishing you all a lovely half term! 😎🌈

Adam 😊
