Friday 12th December 2025

Web: <https://www.acornpark.org.uk/>

🌿 Good afternoon everyone!

We hope you are looking forward to the weekend and hopefully coming along to our end of term celebration (next Friday – 19th December!). You are all welcome to join us and celebrate everything achieved so far this academic year. If you're coming along, please complete the form here - <https://forms.office.com/e/ZTc74qU2ja>

We are also running a raffle and looking for some prizes, if you are happy to donate a prize towards the raffle (no alcohol please) please send in with your child this week.

💰 There will be items for sale on the parent day, but these will largely be sold for 'donations' rather than set amounts (including our hot drinks). So please bring along some spare change if you've got some

💎 This Week's Highlights 💎

Classes have been getting into the festive spirit by putting up and decorating trees, Christmas scavenger hunts and plenty of performance practice ready for our celebration day next week.

🔑 Lewis and Golding went on a trip to London Science Museum last Friday! They had a brilliant time using the underground for the first time. The students enjoyed exploring the Science museum, seeing all the different exhibits, including space, medicine and technology. After this, they visited Hamley's to do some shopping! The team finished off with looking at the Christmas lights. It was then time to head home where we did some car karaoke!

🕯️ A huge thank you to our wonderful catering team who pulled off the perfect Christmas lunch on Tuesday this week! There were lots of happy faces on both sides of the serving counter!

Families of Year, 10, Year 11 and Post-16 Parents and Carers,
Please find below a link to our destination data form. We kindly ask that you complete and return it to school by the start of next term.

The purpose of this form is to help us identify the careers support needed for our young people as they transition into further education or upper school, so that we can ensure they receive the appropriate guidance.

If you have any questions about this form or any careers-related matter, please feel free to contact Tracy Walker.

A few things coming up this term...

For all our term dates (and other useful information) – please check out the parent section of our website – www.acornpark.org.uk

19th December – last day of term and parent day (event and details will be shared next week)

6th January – first day back after the break.

Student Stars of the Week

Care

AJ P has shown immense kindness to a peer in need and has shown such selfless behaviour.

Strive

Matvejs S during his swimming lesson, he ventured away from the steps for the first time and dunked his head in and out of the water completely independently, really pushing himself to explore the water

Grow

Toby B has made sure everyone is included during games, he has offered to get staff and peers drinks at lunch time too!

Thrive

Ziggy S for making such progress over the term, asking for extra work and achieving so much
Tia ES for lots of positive interactions with staff and putting a huge smile on all who greet her. She's also been able to participate in more peer activities off site

Have a great weekend! 😎🌈

Adam 😊
