 Good afternoon everyone!

A slightly damp end to the week – but hope all of the students are now home and dry 😊

## ❖ This Week's Highlights ❖

 Milne Class transformed into a mini airport, where each child had their own passport and boarding pass for a trip around the world. We played airport sounds and busy market noises to make the experience as realistic as possible. We travelled to different countries, and the children took on exciting roles. We visited Denmark, where Theodore was an inventor visiting the LEGO headquarters. We then travelled to Paris, where Harriet was a fashion designer attending Paris Fashion Week. Kelsey was a mum visiting family in the USA with her baby, and Harrison was a businessman travelling to Spain. It was a fun and engaging experience day, linked to our English theme this term: Around the World.

 Fletcher class went for a walk around the fields and forest school area to look for birds and identify the different sounds they make.

 Deary class have begun their new routine of brushing their teeth after lunch! All the children have adapted well and are deepening their relationship with teeth brushing, which as we all know can be very tricky! Deary staff are extremely proud of all the children

A reminder, we want your thoughts!

Our team are committed to providing the best possible education and support for your child, and we know that your feedback is crucial to help us evaluate the broader impact of our school on our students and their families.

To achieve this goal, we kindly ask for a few moments of your time to participate in a survey. Your responses will help us understand the areas where we excel and identify opportunities for further improvement. The survey should take no more than 5 minutes to complete.

Thank you in advance for your time and support. We look forward to hearing your thoughts and working together to create the best possible learning environment for your children.

🌟 Student Stars of the Week 🌟

之心 Care

Toby B was playing noughts and crosses with a peer this week, after a couple of games he made the conscious decision to let his peer win a game.

Recce S for being a great friend and helping his peer who he shares a taxi with, when he dropped his lunch.

Thomas P (Hughes) for making an effort to play with all his peers and understanding they like to play in different ways!

🏃 Strive

Harry S for overcoming challenges in music this week, he engaged with the musical instruments and stayed in the classroom.

🌱 Grow

Oliver SP for gradually overcoming his anxiety around water and accessing the swimming pool and showing confidence around this

🚀 Thrive

Chloe T has been amazing this week in the cafe; her resilience and hard work have been amazing to see.

Tomè R has been very engaged during learning tasks, watching staff carefully and then copying their marks. He made a gorgeous Elephant with staff and then independently too!

Have a great weekend! 😊 🎉

Adam and Emma 😊
