☕ Good afternoon everyone!

Hope you're having a lovely weekend so far!

A gentle reminder of the importance of attendance to school. You'll notice that we share an overview of school attendance on this post each week. Please can you ensure that you do everything you can to ensure your child attends school every day they are able to. The more they attend the better progress they make. 📅 ✨

💎 This Week's Highlights 💎

👨‍👩‍👧‍👦 Kerr class enjoyed exploring Amazona Zoo on Wednesday and observed a variety of animals, taking time to talk about what they saw. They stopped to enjoy our lunch together before continuing to explore and visit more animals in the afternoon. Kerr class were fantastic throughout the day and really enjoyed the experience.

👨‍👩‍👧‍👦 Donaldson class enjoyed their sensory story 'we're going on a bear hunt' everyone got involved and had so much fun.

💡 Milne class have been looking at electrical circuits in science. They had great fun putting some together to power different components.

🦆 Dixon class met the new duck over at animal care, they worked together as a team to create a 3d fort and even did some hard work pulling branches across the garden to prepare for a dead hedge next week.

We are happy to announce that we are having our Easter family day on the last day of term again (27th March). Families are welcome to join us from 1-3pm, please keep an eye out for more details and sign up soon!

📅 A few things coming up this term...

For all our term dates (and other useful information) – please check out the parent section of our website – www.acornpark.org.uk

16th – 22nd February – half term break

6th March – World book day (updated date because of some careers trips 😊)

27th March – last day of term

🌟 Student Stars of the Week 🌟

💖 Care

George M for developing his understanding of emotions and attempting to comfort a peer when they were upset

📖 Strive

Alfie AM has worked super hard in English this week and is really keen and engaged in our book this term.

🌱 Grow

Cameron A for thriving to attend all lessons and complete all his work. Cam has done so well this week adjusting to change of new staff and working together with staff

Stefan L for developing his understanding of regulation strategies and using them to remain regulated and safe.

🚀 Thrive

Isaac H for spending time at home to plan the idea of a football team to present to student council.

Have a great weekend! 😎🌈

Adam and Emma 😊
