🌿 Good afternoon, everyone!

Here we are at the half term break! Hope you all have something lovely planned for next week.

🎯 This Week's Highlights 🎯

🏰 Fletcher class worked together to build a fort in DT, they all tried really hard and were super happy with the end result.

📖 Lewis and Golding Class have been learning all about Nepal in Geography. They have engaged really well in the learning and asked and answered lots of interesting questions about poverty, natural disasters and the landscape of Nepal.

📖 King Class finished their study of Oliver Twist this half term. They have worked super hard on character studies, trying to explain the characters and finding evidence from the book. We are looking forward to our trip to Gressenhall Workhouse after the half-term holiday.

🔑 Dixon carried out an escape room during math's, completing clues to locate keys to be able to get out of the dungeons!

📖 Two students from Golding class are preparing for world book day.

🏊 To finish off a successful half term, Kirby class visited Congo rapids and enjoyed a round of mini golf. They successfully completed their activity, and did a great job understanding and supporting one another throughout the visit. Well done to everyone for demonstrating teamwork and positive behaviour while having fun!

We are happy to announce that we are having our Easter family day on the last day of term again (27th March). Families are welcome to join us from 1-3pm, please keep an eye out for more details and sign up soon!

One of our families is participating in a skydive, raising money for Autism Anglia. If you would like to contribute, please see the link here https://www.justgiving.com/page/autsimanglia-alicia-simon-james?utm_medium=FR&utm_source=CL and attached image. Good luck!!
