✦ This Week's Highlights ✦

🌻 Students from Semi Formal were handing out daffodils this week to celebrate International Women's Day (8th March). These were all well received, thanks for all your hard work sharing these out!

🪚 Dixon had fun using a saw to cut branches today in forest school! All students showed great safety knowledge on using saws

🐛 This week Deary have had lots of fun exploring The Very Hungry Caterpillar and counting all the lovely healthy food the caterpillar eats through! The children have seen that healthy eating leads to lots of growing and a healthy life!

Tolkien class English made potions today for their study of Harry Potter and the Cursed Child. They learned how to read a recipe and created their own recipes using ingredients such as flobberworm mucus, dragon drool, junebug juice and pixie dust. There were some explosive results!

Reuben S for being resilient in outdoor education and being able to light a fire using flint and steel, he was trying for over 10 minutes, trying several different kindling and methods.

Tomè R has walked to lunch every day independently and on Thursday did something very exciting - he said his first word! Pop! Tomè has been trying so hard this week in phonics with the focus sound being p - whilst playing with the bubbles he said pop and now can't stop
