🌞 Good afternoon, everyone!

Welcome back everyone!

It's been a busy week getting back into routines and learning. Overall a super successful week with lots of smiles and positive moments.

🚫🧠 A friendly reminder that we are a nut free school, please do not send your children in with anything that contains nuts, this includes cereal bars, chocolate spread and chocolate bars.

🎉 We are pleased to announce the winner of the 'Easter egg competition' is Hughes class, they've got some rewards on their way over to them in the coming days! 🏆

📷 Reminder.. We have our school photos being taken on Monday – so bring some smiles along 😊

If you are looking for up to date and accurate information about Acorn Park, such as term dates or menus – please check out the parent section of our website – www.acornpark.org.uk

🎉 This Week's Highlights 🎉

🏰 Tolkien class visited Felixstowe docks as part of their Geography studies.

👤 We have recently introduced a 'student jobs' board so that the children can have opportunities to try a range of different work experience options. These range from small tasks to larger roles, it is exciting seeing how interested the students have been in this so far!

🍷🍔🍰 New menus

Next terms new menus are up on our website. These will come into effect the first week back after the break, until the end of the year. They are available on our website here - Important information - Acorn Park School. If you would like a paper copy sent home, please let your class team know.

📅 A few things coming up this term...

20th April – School photos

4th May – bank holiday (no school)

22nd May – last day of the half term

1st June – first day back after the half term

🌟 Student Stars of the Week 🌟

🤝 Care

Kelsey-Bo has been a kind and supportive friend, she shows care for others, looks after her friends and is always thoughtful towards those around her.

Luca K for showing interest in staff wellbeing. Luca asked about a member of staff on maternity leave was. It was a beautiful moment.

Charlie H & Rohan P have accessed and explored many new types of sensory play materials that they would usually not engage with this week. They are becoming more curious and adventurous in their play.

🏆 Strive

Harrison W approached a post-incident situation very well.

Taylor RS for completing his shower routine after finding this a difficult aspect of his timetable to settle back into.

🌱 Grow

Isaac W for taking time to reflect on the choices he made and then took responsibility by tidying up the classroom with support from staff.

Harriett SB has grown in confidence in Maths, she completed activities independently and she should be very proud of her hard work and progress.

🚀 Thrive

Max S for repeating sounds and 'mum' back to staff. Max is showing signs of starting to use his voice to communicate. This is amazing and everyone is so proud of him, we cannot wait to see this progress.

Presley S has been really brave this week and not only stroked a goat but he also hand fed them too!

Katie S for her amazing work in the Cafe this week.

Have a lovely weekend

Adam and Emma 😊
