School Office 01953 888656

Friday 1st of May 2026

Web: <https://www.acornpark.org.uk/>

🌿 Good afternoon, everyone!

What glorious weather we've had this week!

A gentle reminder to make sure everyone is coming to school with sun cream applied, hats and water bottles. We know some of the children aren't keen on these, but let's try and keep them safe in the sun 😊

🎪 Acorn Fest 🗣️ 🌳

Plans are already in motion for our end of year Acorn Fest, this will take place on the last day of the school year Friday 17th July 2026, everyone is welcome!
For those of you that are new to us... Acorn fest is our whole school family celebration. We have loads of activities, lunch and fun on offer (more details nearer the time)!
Parents, carers, siblings and wider family are all welcome (please leave the pets at home though 🐾).

To help us manage all you extra wonderful people on site, please complete this form if you are planning on coming along. <https://forms.office.com/e/pWY9bc5QKA>

🎉 This Week's Highlights 🎉

🦋 Kerr class had a wonderful trip to Cromer on Tuesday. We took in our surroundings and explored on the beach, before incorporating our Travel Training lesson, building confidence and independence while making the most of the day. Everyone did so well, and it was fantastic to see such positive engagement and progress. We then went back to the beach for even more fun! We spent time building sandcastles, getting creative and working together, followed by dipping our feet into the sea, which was a little chilly! We are all so proud of Kerr class!

🏰 Bond class went on a trip to Norwich Castle on Tuesday, we explored all the different areas and the boys especially loved looking at the animals and roman artifacts

🗣️ Donaldson class have shown some amazing work with QT robot this week.

📖 Murphy class has been focusing on their ASDAN projects. Charlie and Max have shown brilliant skills with their reading and writing abilities this week understanding pictures and symbols and engaging well in every lesson.

 Tolkien took a trip to Felixstowe. Students explored the coastal sea defenses, visited the Port of Felixstowe, and completed fieldwork investigations along the coastline to support their learning about coastal processes and management. They ended up with a visit to the amusements to get an ice-cream!

 A few things coming up this term...

4th May – bank holiday (no school)

22nd May – last day of the half term

1st June – first day back after the half term

17th July – Acorn fest

 Student Stars of the Week 

 Care

Jake S for initiating communication with his peers, verbally, to play.

Jimmy D has been particularly kind this week; greeting staff and students he doesn't necessarily know by saying hello in the morning and afternoon. It has been lovely to see such positive interactions.

 Strive

Aaliyah A for her amazing work with QT Robot this week.

Tobi L, Elle-Mae J and Sofia H as they have all completed a 16-hour assessment for their Health and Social Care exam. They have shown great resilience coming in to complete this over six days.

 Grow

Ashley B and Justin R have been playing outside in a movement break, Ashley came in and said 'I think our friendship is developing'

Eva-May A has transitioned to lunch brilliantly this week after finding this transition difficult last week.

Marshall B for accessing the pirate ship for the first time. Now he has done it once there is no stopping him!

Toby B has been showing real independence throughout the week. Fletcher Class went for a walk to the local post office - Toby was able to pick, pay and ask for a receipt all by himself and make positive interactions in the community.

Ziggy S for showing incredible independence in his personal care. Ziggy has come a long way with his personal care, and Kerr class is so proud of him!

 Thrive

Bond Class for their impeccable attitude and behaviour during a trip to Norwich Castle.

Have a great bank holiday weekend
