✦ This Week's Highlights ✦

 Bond class went on a trip to Sea Life, Great Yarmouth. We explored all the tanks, looking at the fish, their habitats and the under-water plants. Highlights of the trip were the huge tank with sharks, sting rays and the green sea turtle as well as the archerfish and submarine. We even got to touch a starfish! It was such a lovely day.

 some of Kerr class attended their first hands-on work experience! The boys had a wonderful time meeting the gardeners at Earlham Crematorium and helping tidy the garden. The boys got involved with racking and tidying different parts, taking old stones off, putting new stones on and cleaning various benches! We are all very proud of Kerr class, and the boys can't wait to continue this experience after half-term!

 Deary have been exploring imaginary play this week, mimicking real life through playing like going to the shop and being at home with family and friends

 Dodd, Dahl, Murphy & Kirby all took part in our cricket enrichment this week, everyone gave it a go and enjoyed it.

 Bryan Class had a wonderful time visiting The Melsop Farm Park this week! The children enjoyed exploring the farm, looking at the animals, stroking and feeding some of them, and spending time together outdoors. We are very proud of how well all the children did throughout the trip. 😊 🌿

 Fletcher class have enjoyed a day at Gravity in Norwich, they all engaged well, listened carefully and had lots of fun.
