

YOU DID IT!!

Well done for making it to the end of the passport! There is no rule on how many activities you needed to complete, so however many you did, be proud! Well done for taking the time to complete a creative activity, helping someone out, spending time in nature or staying regulated!

We hope you enjoyed working through this, and if you thought of any of your own ideas, add them below!

My Additional Activities:

Summer Skills Passport

Travel through to different activities and
collect stamps along the way!

You can complete 1 activity at each stop, or
multiple and you can go through the stops in
any order you would like – there is no right
or wrong! Just have fun!

Stop 1: CREATE

Here you can complete different creative activities. Choose whichever you would like and let your creativity take over!

Build something with Lego

Create a playdough animal

Draw a picture of your favourite summer activity

Make a friendship bracelet, or thread beads onto some spaghetti

Complete a puzzle

Stop 6: HELP

Helping someone with a task shows kindness and consideration. See if somebody needs some help with these activities, and I am sure they will be impressed!

Water the plants

Wash the car

Match the socks after washing

Tidy a room in the house

Offer to get a drink for somebody

Stop 5: CONNECT

These activities encourage doing something with another person! It is good to socialise with others, and doing something fun is always a great idea!

Play a board game

Read a book with somebody

Play outside with a friend or family member

Play “I Spy” with somebody

Help an adult cook a meal

Stop 2: MOVE

These activities are to get your body moving! Choose the ones you can complete and enjoy!

Complete an obstacle course

Dance to your favourite song

Do 5 different animal walks

Play outside

Do 15 star jumps

Stop 3: EXPLORE

These activities are based outside and encourage you to enjoy nature.

Go on a nature walk

Look for 3 different types of bugs

Watch the clouds, and see if you can find any shapes

Play in the grass barefoot

Find 4 different types of leaves

Stop 4: CALM

At the calm stop, these activities are useful to stay regulated and slow down after a busy day!

Blow bubbles

Read a book

Make your own calm corner

Do some stretches for 5 minutes

Do some deep breaths
