🌿 Good afternoon everyone!

Welcome back to all our returning families and a very warm welcome to those joining us for the first time!

Welcome to your weekly round-up, where we'll be sharing highlights, celebrations, and important updates from across the school.

😊 It has been a fantastic first few days back. It has been wonderful to see so many children settling into their new classes, building new friendships, and embracing the opportunities that a new school year brings. We are incredibly proud of how well everyone has returned and look forward to an exciting term ahead.

📅 Over the next few weeks we will share some important dates for your calendar (on our events page), but if you have any queries, most of our information is on our website here: Important information - Acorn Park School (term dates, school uniform, school meals) or you can speak to your child's class teacher.

📎 We've attached a letter regarding mobile phones in school, please do take a look.

💎 What to expect from our weekly round-ups 💎

Each week, we will celebrate the achievements and successes of our students through our Student Stars awards. These special recognitions are nominated by staff and students across the school and reflect our core school values:

🌿 'We care, we strive, we grow, we thrive' 🌿

Recognising pupils who show kindness, compassion, and respect for others.

Celebrating those who demonstrate determination, effort, and a positive attitude towards learning.

Recognising children who embrace challenges, develop new skills, and make progress.

Celebrating pupils who shine, inspire others, and make a positive contribution to our school community.

We look forward to sharing our Student Stars with you each week and celebrating all the wonderful things happening across our school.

Thank you for your continued support, and hope you all have an amazing weekend! 🌈 🌟

Adam and Emma 😊
