☀️ Good afternoon, everyone!

We hope you have had a lovely week, the weather definitely seems to be clinging on... It's due to be quite warm again next week! So please help your children dress accordingly.

📢 A few important messages:

🧠 You are probably aware that the government have recently changed the requirements for how schools manage allergies. As such, it's super important that we have every child's allergy information. We are asking all parents to complete this form (whether your child has allergies or not) -

<https://forms.cloud.microsoft/e/DyYmBbRYD4>

☑️ If you've already done it – thank you, we've got it!

👉 If you haven't done it, please can you take 5 minutes to fill it in.

🆘 If you need support, please reach out and we will support you to fill it in.

🧠 On the subject of allergies... We are a nut free school. Please do not send your child in with nuts or products containing nuts.

💎 This Week's Highlights 💎

📦 Campbell class worked on their cutting and spreading independent skills by making (and eating) sandwiches...and had a little tea party to follow

🏊 Durrell class went swimming at Abbeycroft leisure centre, Max can now get himself ready for swimming independently as well as get changed after! Great effort Max.

🐧 Seuss class went to Banham Zoo this week to investigate the students' love for animals. We saw the new penguin enclosure, and some had a ride on the train. The students were able to spot and name lots of the animals and described it as a 'great day' even after the 20,000 steps we all managed to rack up.

🔧 Kerr class had their first week of work experience working with Ed (in the maintenance team). They got to build water runs for an early years class and helped to attach this to the fence. All the students used their problem solving and creativity to build these and had a great time overall

A few things coming up this term...

Our term dates - Important information - Acorn Park School

22nd October – last day of half term (Thursday)

23rd October – 1st November – half term

2nd November – First day back after half term

18th December – last day of term and family open day

Student Stars of the Week

Care

Josh O showed great care for his peers during Titan, he was able to support his peers by being their voice and insuring they got the correct bus back to school

Arlo B for making a huge effort to keep our classroom tidy even if he was not the one to make the mess.

Strive

Oliver SP – for his brilliant independent spelling and writing in Phonics this week.

Sapphire S – for striving with her sentence typing in Phonics.

Leo M for settling in and making a great start in his new class.

Grow

Sean O for fantastic transitions and communication this week.

Marley M has had a great start to the new school year; he has made a consistent effort in every lesson.

Eli H for his positive attitude to learning this week

Thrive

Beren SW for writing amazing notes in English and looking for answers in his notes from a previous lesson.

Joseph P for completing all the writing in classics by himself.

Theodora K for being full of positivity this week and saying and signing please and thankyou without being prompted.

Wishing you a wonderful weekend

Adam and Emma
