✿ Student Stars of the Week ✿

💖 Care

Isaac O & Alfie N demonstrated great kindness and care when they harvested carrots during Horticulture. Noticing that another student was upset because he had only been able to harvest a few, they willingly shared some of their own carrots with him. This thoughtful gesture showed empathy, consideration for others, and a willingness to put a peer's feelings before their own, making them excellent examples of our caring values

📝 Strive

Rylee B for completing all his work tasks this week and showing lots of independence.

🌱 Grow

Sixth Form have shown fantastic progress this term, demonstrating maturity, teamwork and a positive attitude to learning. Students have grown in confidence, independence and their contribution to the school and wider community. Staff have played a key role in supporting this development, creating meaningful opportunities for success. Together, they embody our values of We Care, We Strive, We Grow, We Thrive and are thoroughly deserving of this recognition.

🚀 Thrive

Cameron A for his excellent work in citizenship, he continued his work into his lunch time, approaching staff and asking them questions to build his confidence.

Wishing you a wonderful weekend 🌈 🌞

Adam and Emma 😊
