

Potter Autumn Term Curriculum Newsletter

Welcome

Welcome to school- This overview gives you a snapshot of what your child will be learning this term, along with key information and ways you can support at home.

Our Topic: Magnificent me

This term as we begin to settle into school life, we will be exploring what makes us marvellous and unique! From ourselves as babies until now, exploring what we enjoy, our families and who keeps us safe

Literacy- We will be beginning our phonic journey and explore early mark making using both our gross and fine motor skills. We will also have a daily storytime and rhyme time.

Maths- We will be focusing on number this term. We will be exploring groups of items up to 5.

PSHE- We will be looking at celebrating differences.

What makes us special and unique and our families.

We will also begin to learn to recognise our emotions and name them.

Enrichment opportunities

We will bring learning to life through:

- Multisensory learning opportunities through play
- Outdoor learning and exploration
- Topic themed days and celebrations (harvest festival)

Supporting learning at home

If you're keen to support your child's learning at home, the best way to do this is to read to or with your child regularly. The children are welcome to borrow books from our library at any point in the year. We will be having sessions in the library weekly, where children can choose a book to bring home and share with you.

Should you wish to do some more with your child at home, please contact the class teacher.

We're here to help

Your child's class teacher is Sarah Vonk

Your child's support staff are Aisha Driche , Samantha Cribben and Jaydee Neale

We're always happy to talk, please call the school if you want to arrange a time to meet or discuss anything
