

Seuss Autumn Term Curriculum Newsletter

Welcome

Welcome back — we hope you had a lovely break! This overview gives you a snapshot of what your child will be learning this term, along with key information and ways you can support at home.

Our Topic: Celebrating me

This term, we will be exploring how to celebrate themselves—from activities the students love, to making choices on activities they would like to engage in. Learning will focus on building communication, curiosity and independence through practical, engaging activities and trips. We will be working on our interpersonal skills and our communication and shared space play with our peers. We will encourage team work and what makes us special through the choices they make.

What your child will be learning

English

- Developing speaking and listening through stories, role play and discussion
- Understanding repetivity language and expanded descriptions.
- Developing individual story writing skills

Maths

- Counting, number recognition and simple calculations using number bonds
- To develop mathematical vocabulary to complete written calculations
- To be able to use everyday maths in real life situations through cooking and shopping and communication

Science

- Learning about materials in their nature environment
- to explore creating simple experiments and being able to describe what the effects are
- Learning about animal habitats and what animals need to survive

PSHE

- Learning how to stay safe in the community

Acorn Park School

Enrichment opportunities

We will bring learning to life through:

- Local trips to learn about the world around us in our local community
- Trips to include activities of our interests
- Outdoor learning and exploration

Trips will include: Banham Zoo, High Lodge and Cambridge Botanical Gardens.

Supporting learning at home

If you're keen to support your child's learning at home, the best way to do this is to read to or with your child regularly. The children are welcome to borrow books from our library at any point in the year.

Should you wish to do some more with your child at home, please contact the class teacher.

We're here to help

Your child's class teacher is: Lily D'Hooghe
