🌳 Good afternoon, everyone!

We hope you've had a lovely week

You may have noticed a new 'Dojo feature' - Dojo Islands, this is a simple gaming platform that allows children to play games with their classmates. Please feel free to enjoy this, there are no chat functions on this so children won't be able to message each other.

✍️ A quick note on vaccinations.

As of last year, we stopped facilitating vaccinations on our site, this is an OFG Education decision based on a number factors across the country.

However, if you would like some resources or support from us to help your child access vaccinations – please give you child's class teacher a nudge so they can support you.

💎 This Week's Highlights 💎

🏠 Freedman Class have been reading 'The Scarecrows Wedding' they have been designing wedding cards and invitations, made scarecrow puppets and enjoyed making (and eating) miniature wedding cakes

🍂 Milne Class has been busy preparing the tunnel for our pumpkins and getting everything ready for the colder winter months ahead. There's been plenty of work going on behind the scenes to make sure the growing space is clean, tidy and ready for the next season. We can't wait to see the pumpkins take shape!

🦷 Deary Class have been exploring what it is like to go to the dentist! They have discovered what is good and bad for their teeth and enjoyed brushing their teeth at school!

🍁 Dixon Class have all worked together to create a beautiful Autumn wreath for our classroom celebration. 🍂 🍁 The students enjoyed collecting colourful leaves and acorns from around the school grounds, as well as getting creative and making their very own Autumn leaves. Everyone worked brilliantly as a team, sharing ideas, helping each other and taking pride in creating something special together.

A few things coming up this term...

Student Stars of the Week

Care

Reuben S for showing kindness to his peer by inviting him to play football with him

Strive

Archie JB has shown so much enthusiasm and independence during learning activities linked to our story, creating a wonderful wedding invitation.

Grow

George M for fantastic communication in class and with QT robot

Bertie A has been transitioning well to the sensory room and has been communicating his needs and wants clearly.

Kerr Class are improving their skills in work experience and helped to fix the waterfall and stream in the sensory garden.

Thrive

Seuss class had a successful trip to High Lodge, managing and navigating the public and being able to experience such opportunities.

Wishing you a wonderful weekend

Adam and Emma 😊
