🎉 Happy Friday everyone!
What a wonderful week!

The students were fantastic when honouring our fallen during Remembrance Day, Cameron read a beautiful poem over the speaker before observing a 2 minutes silence. Well done everyone, we're so proud. And a special thank you to Theo and Sapphire for presenting the poppy wreaths at the end of the ceremony.

The students also enjoyed the wonderful panto performance from M&M productions yesterday. It's always lovely seeing our students enjoying live entertainment.

✨ This Week's Highlights ✨

🐭 Katie and Ruby really enjoyed handling the mice during Animal Care this week! 🐭 They carefully observed the correct handling techniques before having a go themselves, copying the steps to handle the mice safely and gently. They demonstrated great care and consideration for the mice, ensuring their welfare was always a priority

🖌️ Carle class visited High Lodge this week, they completed the Room on the Broom trail which perfectly links with the story they have been exploring. The children had a fantastic time and worked as a team to find the clues and the witch's missing objects.

🦒 Kerr class visited Africa Alive despite the foggy weather they got to see lots of different animals like giraffes and buffalo's!! Children used the map to determine where we were and which way we needed to go, we also enjoyed reading lots of different facts about each animal.

OptionsAutism

Bryan Class marked Remembrance Day with a special visit to the Banham war memorial. The children explored the monument and its surroundings, looked closely at the poppies and experienced a meaningful connection between their classroom learning and our local community. Everyone participated in their own individual way, and we were very proud of the respect and curiosity they showed during this special time.

A few things coming up this term…
Our term dates - Important information - Acorn Park School
10th December – Christmas Jumper day and school Christmas lunch!
18th December – last day of term and family open day
5th January – First day back to school

Student Stars of the Week

Care
Renaldas K practiced starting fires safely in forest school and once he was able to do this he then helped all of his peers in his class to do this and showed them how to do it

Strive
Archie M - for producing some amazing, well thought out work in English
Joe P for his support and problem-solving skills when pressure washing the poultry houses

Grow
Dougie C- During travel training lesson, he was not able to find an item in the supermarket so he went up to the shopkeeper and asked them where it was.
Eli H - for showing his independence and for getting his opinions across to peers in a respectful manner.

Thrive
Harriet SB for having a really amazing week and excelling in every lesson

Have a wonderful weekend,
Adam and Emma
